

Glory Baptist Church

Building Use Requirements

1. A voluntary donation for the use of the building is encouraged.
2. Glory Baptist Church is a smoke-free facility.
3. No alcoholic beverages are allowed in the church facility or on the church property.
4. Heating and air conditioning settings will be controlled by Glory Baptist Church only.
5. Use of the organ, piano, and audio visual equipment (e.g., sound, projection, TV, DVD, etc.) must be approved in advance. A technician from Glory Baptist Church is required for the use of audio visual equipment unless a designated person has been trained and approved by the Glory Tech. Team.
6. Damage to property or equipment is the responsibility of the user group.
7. Facility must be put back to its original condition.
8. All garbage must be removed from the facility by the user group.
9. Facilities will be used according to the following priority:
 - a. Glory Baptist Church ministry groups and programs.
 - b. Glory Baptist Church attendees' special events (e.g., anniversaries, receptions, etc.)
 - c. Non-Glory Baptist Church ministry groups.
 - d. Community non-profit groups.
 - e. Other public relation uses (e.g., business groups, etc.)
