Persecuted Church: United Arab Emirates

Only a few Emiratis are known to have converted from Islam to Christianity. While they enjoy a degree of freedom in meeting covertly for worship, they lose their jobs, homes, spouses and children if their faith is discovered. Christian converts can also be prosecuted for apostasy, which is considered a crime.

- Pray that Muslims will find Christian friends who will share the gospel with them.
- Thank God for the Arab churches in the UAE. Pray that they will be effective in spreading the gospel.
- Pray for converts who left Islam to follow Christ and then fled to the UAE for safety.
- Pray that the millions of Muslims who come to work in the UAE will meet Christians and come to faith in Christ.
- Pray that Emerati Muslims who are fired from their jobs after becoming Christians will see God provide for them.
