## Call to Prayer

*Ask • Seek • Knock • Matthew 7:7*

**Persecuted Church: Uzbekistan**

- Though Uzbekistan has long been a highly restricted country, its government has made incremental reforms in religious freedom in recent years. This improvement, with unity among believers across several Christian denominations and a focus on training and equipping Christian leaders, is a positive development for the small number of Uzbek churches and Christians. Though restrictions on churches and Christian organizations have eased, evangelism and conversion are opposed, and it is still illegal to distribute evangelistic literature in public. 83 percent of Uzbeks are Sunni Muslims. 2 percent are Christians. Many are irreligious as a result of suffering under decades of atheistic Communist rule prior to the fall of the Soviet Union.

persecution.com

- Praise God that fines and detentions are now rare and Christians have greater freedom to practice their faith.
- Pray that unregistered house churches will remain undetected by the government.
- Pray that Christians will forgive family members who reject them because of their faith.
- Pray that those who rejected the gospel while living under atheistic Communist rule will now find new life in Christ.
- Pray that Uzbek church leaders will have the necessary ministry tools to expand their gospel outreach.

**Nursery:** The Infant/Toddler Nursery is located left of the foyer, past the library. Children through age 5 will have "Sermon Time Kids" and are welcome during the sermon each Sunday. We will have a snack, story, and play time.
