## THE DIFFERENT FACES OF SOCIETY

### ACTS 19

Pastor Randy Stauter

As we look at Acts 19, we will see how different people responded to the gospel message and how different people respond to the gospel message today.

1. Some people are God-seekers. vs. 1-7
2. Some people are obstinate unbelievers. vs. 8, 9
3. Some people are unbelievers who try to imitate God's power. vs. 11-17
4. Some people are truly repentant believers. vs. 18-20
5. Some people are unbelievers who use religious lies to make money. vs. 23-40
6. Some people are committed believers who do not allow the circumstances of life to dictate their attitudes. Acts 16:16-34

**Persecuted Church: Azerbaijan**  
- For many years now, churches have been denied the ability to register legally. Secret police attend and sometimes raid church meetings, which the government classifies as illegal. In 2015, the government published a list of banned religious books that included the Old Testament. Those caught with banned religious literature are fined. The government is tightening restrictions and often asks church leaders to submit lists of members' names. Some pastors and leaders feel this is an attempt to gather information for later use against church members or pastors. Many Christians faithfully share Christ with neighbors and family members despite legal pressure and possible fines.

- Pray for Christians sharing the gospel through social media.
- Pray that children who receive children's Bibles will place their faith in Christ.
- Praise God that many Azeri Christians faithfully share Christ despite opposition and possible fines.
- Pray that underground churches will continue to meet for prayer and worship despite police pressure.
- Pray that many Azeris will receive copies of God's Word, despite heavy restrictions.
